Chapter 1

~Kya's pov~

After my mothers death I sat in Gordon's office till he was done talking to Bruce Wayne. I was 3 at that time. I looked around the police station I was in. Gordon soon told me that Bruce Wayne was coming to get me. I nodded and Gordon went to wait for Bruce and I waited in the office. I held a little Batman doll in my arms (the only gift I got from Bruce). Bruce came into the office and Saw me. I got up and Hugged him, he hugged me back.

"Thank goodness you're still alive. I wouldn't Live without you my only daughter," Said Bruce.

"So she's your daughter," said Gordon.

"Yes I'll be getting her to the Wayne manison. I know she'll be fine," said Bruce.

I smiled and Bruce picked me up and carried to the Car he was in. I yawned and fell asleep on Bruce and he smiled. After getting to the mansion Bruce carried me inside as Aflred carried my stuff in after us. I held the Batman doll in my hand and know that Bruce was Batman.

~Bruce's pov~

I trusted Kya with the batman thing. I know that she is young but I have to fill out papers for her so I'm her legal Guardian. I put her in her bed and covered her. I kissed her fore head and Alfred placed her things next to the bed. I had a nightlight in here for her. I walked to the batcave and got dressed in the batsuit. I went on Patrol and told Alfred to check on her once in a while. He agreed and I came to gordon.

~Alfred's pov~

I checked on her and she was sound asleep and she held that batman doll close to her. I never saw her this happy to be with Bruce (birth father) after he held her when she was a baby. Now she had to live without a mother. I feel sorry for her. I went to the batcave and see if he returned after his night out as batman.

The next morning~

I woke up and ran down downstairs as I smelt breakfast. I hugged Bruce as I entered the room. I was happy to be with Bruce and to be a Wayne.

"Good morning, little one," said Alfred.

"Morning Alfred," I said smiled.

"Do you like bacon, with pbj sandwich," asked Alfred.

"Yes I love bacon and peanut butter and jelly sandwich," I said happily.

He made me a plate and Bruce sat me down and I started eating after Alfred put down the plate. I smiled and finished and Thanked Alfred for the breakfast.

Me: so sweet. The plot is sad and happy at the same time.

Bruce: yeah after you killed the mother. Will there be pictures for Kya to look at so she would forget her mother.

Me: yes you did a painting of her just in case something bad happened.

Bruce: thanks Darth Talon12.

Me: no problem bruce. I still ship you and Selena. *giggles*
